C.J.'s Court

Civil Writ Petition No. 605 (M/S) of 2001

Rajeev Kumar Kandhera ..... Petitioner
V/s
Registrar, Department of Examination, Uttar Pradesh Alanganj, Allahabad and others ..... Respondents

Hon. A.A. Desai, C.J.
Hon. Irshad Hussain, J.

Heard Sri A. K. Sharma, learned counsel for the petitioner, and Sri M.M.Ghildiyal, learned C.S.C.

The petitioner was selected to the course of B.T.C. Subsequently, it was cancelled on the ground that the weightage/concession he availed for such admission was not permissible to him. Learned counsel for the petitioner contended that he is a son of a teacher who was working in the school to which grant in aid was admitted by the State.

Learned Chief Standing Counsel pointed out that the weightage or concession as envisaged in permissible to the wards of only those teachers who are engaged in the schools which are in grant in aid list. However, as per the document supplied by the Basik Siksha Adhikari, the school referred to by the petitioner was not admitted in grant in aid of the State. As such the selection was itself wrong and the same was consequently cancelled.

In view of the statement as made by the learned Chief Standing Counsel, the case of the petitioner is without any merit. We, therefore, dismiss the same.
